
Subject: Islaamic Studies

Grade level: as desired

Topic: The Five Pillars of Islaam Lesson Plan for Slide Book **Duration:** 45 Min

Goals and Objectives:

The student will learn the Five pillars of Islaam. They will be introduced with a brief explanation on the Five Pillars.

Prerequisites:

The student should be able to write and know who their Lord is.

Instructional Procedure:

1. Teacher will read The Five Pillars of Islaam Slide Book to the student.
2. Teacher will engage the student in questions as to what they learnt from the presentation (this is a follow up for the book).
3. Students will make a picture book of their own illustrating what they understood.

Materials and Equipment:

Computer, writing paper, pencils, crayons, markers, construction paper, scissors, glue

Assessment:

Teachers will assess the students understanding by giving an oral test.

Follow Up Questions

1. How many Pillars does Islaam have?

2. What is the Shahaadah?

3. How many times a day does a Muslim have to pray?

4. What are the names of the prayers?

5. What is Zakaat?

6. What month does the Muslim have to fast the entire month?

7. What time does the fast begin and what does it end?

8. What is the Hajj?
