Fiqh Lesson 1

What Do You Do Before Salaat?

Compiled by: Umm 'Abdis Salaam Al Grenaadiyyah

1. **Q.** What do you do before salaat?

A. Before salaat it is obligatory on you to clean yourself from any impurities that may be on your clothes.

2. **Q.** When your clothes are clean what do you do next?

A. After I make sure my clothes are clean from any impurities I make wudhu.

3. **Q.** What is wudhu?

A. Wudhu is the ablution that you make before you pray.

4. **Q.** How do you make wudhu?

A1. Before I start making wudhu I say Bismillahir Rahmanir Raheem.

2. Then I wash my right hand going between my fingers up to my wrist three times, after I am finish with my right hand I wash my left hand just as I washed my right Three times.

3. Next I take water and put it in my right hand. With this water I put some of it in my mouth and sniff some into my nose with one handful of water, I do this three times. After each time I will spit out the water from my mouth and blow the water out of my nose into my left hand.

4. Next I wash my face from ear to ear and including my forehead three times.
5. Next I wash my arms, starting from the finger tips up to my elbows three times. I start with my right arm first and then my left arm.
6. Next I wipe over my head starting from the front of my head unto the nape of my neck and then back to where I started (once). Then I take my index fingers and wipe the inside my ears and behind them with my thumbs (once).
7. Next I wash my feet, right foot first and then my left, going between each of my toes and up until my ankles three times.
