**Questioner:** Some of the people call to Bin Laaden as being the awaited Mahdee and they nickname him as Ameer al Mu'mineen, so what do you say concerning that?

**The Shaykh -Rahimahullaah said-:** Those people are Shayaateen (devils), they are Shayaateen. Bin Laadeen is a Filthy Devil, Bin Laaden is a (Filthy Devil) Shaytaan Khabeeth, a Khaarijee. It is not permissible for anyone to praise him, and whoever praises him is evidence (against him) that he is a Khaarijee like him. And (again) whoever praises him this is evidence that he is a Khaarijee like him. It is an obligation that he (Bin Laaden and those like him), should be punished and imprisoned. Yes.
