Questioner: Oh Shaikh; some students are saying that Shaikh Muhammad Sa'eed Raslaan is not Salafi, and have doubts about him; can you please tell us what you know of him, oh Shaikh?

Shaikh Abul Yameen Al-Mansooree: I only know good about him and that he's Salafi. I want you to listen and pay close attention; Abu 'Abdis Salaam, are you listening?

Questioner: Yes Shaikh; I'm listening.

Shaikh Abul Yameen Al-Mansooree: Never does Allah bless a scholar or student of knowledge with success and the people take from him, except that there will be those who are jealous and envious who will try to belittle, and speak ill of him. Only the jealous and envious, whom aren't known for knowledge or any type of (reputable) distinction, speak ill of him (Shaikh Muhammad Sa'eed Raslaan). I'd like to reiterate my statement: I only know good of him (Shaikh Muhammad Sa'eed Raslaan), and those that speak ill of him, only do so out of jealousy and envy.
